

What Women Need To Know About Breast Self-Examination (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

WHAT WOMEN NEED TO KNOW ABOUT BREAST SELF-EXAMINATION (PAPERBACK)

Thieme Medical Publishers Inc, United States, 1994. Paperback. Condition: New. Language: English. Brand new Book. Breast self-examination can save a woman's life. Many women fear finding a breast lump and therefore avoid checking their breasts; this neglect can prove to be dangerous. It may allow cancer to go undetected and spread outside the local breast tissue, thus lessening a woman's chance of cure and long-term survival. Periodic breast examinations are important to the early detection of breast cancer, which ranks second to lung cancer as the most frequent cause of cancer death in women. Excerpted from A Woman's Decision, this booklet is a reliable source of information on breast self-examination that has been reprinted in Cosmopolitan magazine. It is popular with doctors and patients alike because of its clear, yet detailed instructions on this vital health examination.
